

30W USB-C PD Fast Wall Charger

with 4ft USB-C to USB-C Cable

No more waiting, experience the full speed of Power Delivery Technology. This complete power solution comes with a 30W USB-C PD wall charger and a 4ft USB-C to USB-C cable— the 2 things you need to experience the fastest possible charge for your phone. With over 6X the power of standard chargers, it is perfect for power-hungry devices and can fast charge the latest Samsung Galaxy smartphone from 0 to 50% in just 30 minutes! Devices that aren't PD compatible will still charge at the fastest speed available. Now you can enjoy the latest in high-speed technology and always arrive fully charged!
