

Power Stand

Foldable Fast Wireless Charger

Qi | Works with all Qi-enabled devices

15W *Wireless Fast Charge*

Leap into the wireless future. With the foldable Power Stand, just place your Qi-enabled device on the stand to start fast charging on contact! Enhanced with Naztech's Adaptive Charging Technology, the stand delivers up to 15W of pure wireless power—that's 3X faster than standard wireless and wired chargers. With a wide dual coil wireless transmitter, view and charge in either portrait or landscape. Great for traveling, just fold flat and go! The future is wireless.
