

Elevate

Foldable Desktop Stand

Elevate your view and go hands-free with the perfect foldable desktop stand. The Elevate features a telescopic dual-hinge adjustment, making it easier than ever to find the ideal height and viewing angle for your phone or tablet. Protect and support your devices from scratching or sliding with a weighted base, anti-slip rubber grip, and silicone base pads. With easy charging port access, stay fully charged as you work, view recipes, watch videos, or play games. Great for traveling, the foldable and lightweight design easily fits into any bag or even a pocket. Elevate your view anywhere you go!
