

HYPERGEAR

PowerFold Desktop Stand

10W *Wireless
Fast Charge*

Cut the cord and go hands-free with the perfect wireless desktop charger. Just place your Qi-enabled smartphone on the PowerFold to fast charge as you work, watch videos, view recipes, or play games without needing any extra wires or cables. Whether your device is standard or fast-charge compatible, you will always get the maximum output available with up to 10W of wireless fast charging. Find your perfect view with the multiple angle and height adjustments and get maximum support for larger devices using the extendable foot. Great for travel, just fold and stash in your bag, backpack, or even a pocket. Lose the cables and go wireless!

**Works with all
Qi-enabled devices**
