

Universal

Magnetic Wireless Charger

UP TO
15W *Wireless*
Fast Charge

Get wireless fast charging in a snap with the Universal Magnetic Wireless Charger. No more tangled wires or lost charging cables, just snap your iPhone 13 or Magsafe Case onto the charger, for immediate wireless fast charging. Powerful and secure magnets keep the charger in place, allowing for continued phone use as you charge. No need to remove your case, as the wireless charger is able to charge through cases up to 3mm thick and is MagSafe compatible. Engineered with 3X the power of standard wireless and wired chargers at 15W, to get your device back to full faster than ever! Wireless Fast Charging in a Snap!
