

SnapShot

Wireless Selfie Stick & Tripod

Capture every moment with the SnapShot Wireless Selfie Stick & Tripod! Ideal for spontaneous selfies or sprawling panoramic and group photos. With a 2-in-1 design, either hold onto the handle for more up-close selfies or expand the legs for long-range tripod use. Just extend, clip your smartphone, GoPro, or camera, and press the shutter button. No need to use a timer and rush your set-up, the Bluetooth remote allows you to take control and always get the best shot! Make every picture perfect!
