

MagLock Wireless Charging Vent Mount

15W Wireless
Fast Charge

Enter the fast lane of charging! Just place your iPhone 13 or MagSafe case onto the MagLock Vent Mount and feel the powerful magnetic force latch onto your device. Keep your device at eye-level and within easy reach for safer hands-free driving with the fastest wireless charging speeds. With 3X the power of standard wireless and wired chargers, the mount is engineered to get your device back to full faster than ever. Featuring a low profile, cradle-free design with aircraft-grade aluminum construction for a stylish, floating look as you drive. The mount's rubberized grips easily slide into place, while the built-in stability kickstand adds support for heavier phones and protects your vents without blocking airflow. MagLock makes it easier than ever to fast charge on the road.
