## Wireless Charging Vent Mount

UP TO  
**15W** *Wireless Fast Charge*

Staying charged on long drives just got easier with the MagVent! Simply hold your iPhone 13 or MagSafe case near the base of the mount and feel the powerful magnetic force instantly grasp on, and your phone starts fast charging on contact. Enhanced with 3X the power of standard chargers at 15W, the MagVent can save you up to 2 hours of charging time on the road! With the universal vent hook mounting system, extend to easily latch onto any air vent or grille without blocking airflow. The cradle-less, low-profile design keeps your device at eye level and within easy reach. Hit the road and stay fully charged!
