## Hands-Free Neck Mount

**UNIVERSAL**  
For ALL Phone Sizes!

Give your hands a break! The LoungeFlex neck mount lets you relax with premium comfort, flexibility, and the perfect hands-free view anywhere. The mount's universal phone cradle has adjustable grips that safely secures the largest phones and bulkiest cases and conveniently rotates a full 360° for portrait or landscape viewing. Lounge anywhere with cloud-like comfort by molding the premium soft neck cushion for the perfect fit, and keep your hands free for notifications, messages, emails, and videos at a convenient and glanceable level while you work or move around. Enjoy maximum versatility as the mount's flexible gooseneck can be bent and shaped for use while lounging, as a portable stand, or even as a sturdy selfie stick, without any shaking or wobbling! Get comfortable hands-free viewing with the LoungeFlex!
