

HYPERGEAR

RGB Battle Charge Wireless Charging Gaming Pad

GAMING

RGB

Power up and light up your battlefield. The RGB Battle Charge Gaming Mouse Pad delivers high-speed wireless charging while taking your pixel-precise movements to the next level and illuminating your setup with 7 RGB color options. Save up to 2 hours of total charging time with a built-in 15W wireless charging surface engineered with 3X the power of standard wireless and wired chargers! Keep your movements swift and enjoy expansive real estate for your plays with an extra-large 31-inch textured micro-weave cloth surface. No need to worry about anything slowing you down or interrupting your gameplay; the mouse pad is designed with an anti-slip rubber base and water-resistant coating. Bring power and style to your playing with the RGB Battle Charge.
