

MaxDrive 3

Universal USB-C Hub

Connect 3 devices in 1 port for a cleaner, more organized workspace. Turn a single USB-C port on your laptop or tablet into a powerful triple-device connection point — no more constantly switching out the peripherals you need: keyboards, mice, monitors, external hard drives, and even your phone. The MaxDrive 3 USB-C Hub keeps your devices fast-charged with a 100W USB-C Power Delivery port, streams video in spectacular 4K Ultra HD, and transfers data at incredibly high speeds of up to 5 Gbps, all within a compact profile designed to look good and streamline your productivity at the desk and on the go.
