

UpRite Air Laptop Cooling Stand

UNIVERSAL
For ALL Laptop Sizes!

Enjoy adjustable, ergonomic comfortability and protective cooling for your laptop with the Uprite Portable Laptop Cooling Stand. Minimize strain on your back, neck, and eyes while quickly finding the best angle for your laptop with 4-level height adjustments and up to a 45° rise! Enjoy maximum support and convenience as the stand can easily hold even the largest and heaviest laptops like the Macbook Pro or Microsoft Surface. A built-in quiet operating LED cooling fan reduces heat to improve the performance and lifespan of your laptop. Constructed out of lightweight metal mesh for optimal heat dissipation, ensuring your laptop remains cool and protected. Connect to even more devices with the built-in dual USB passthrough ports. Adjust for comfort with the UpRite!
