

Hybrid

Dual USB Car + Wall Charger

The most versatile charging solution anywhere! The Hybrid Dual USB Charger's convenient 2-in-1 design works with all car and wall power outlets through integrated foldable wall prongs and a car socket plug. Charge 2 devices at once through powerful dual USB outputs. World-class safety features protect your devices against short-circuiting, overheating, overcharging, and overvoltage faults. The incredibly travel-friendly Hybrid lets you use any power outlet to charge your devices at home, in the car, in the office, and anywhere between! The Hybrid is the ultimate do-it-all charging solution.
