

KEYVICTORY

ONE-HANDED GAMING KEYPAD

The KeyVictory One-Handed Gaming Keypad enhances your gameplay with hyper-speed precision, hyper-responsive control, and a hyper-comfortable design. By eliminating unused keys, the KeyVictory keypad keeps all your controls close and accessible for quicker plays, easier combos, and tons of extra aiming room. The innovative membrane design provides anti-ghosting and jamming protection, so all your responses are immediate. Play in comfort even during the longest rounds with a ludo-nomic wrist pad and just-the-essentials design, perfect for seasoned veterans and brand-new beginners alike.
