

PowerPack mini

20W PD Fast Charge Power Bank

Add a full day of power to your phone and top up anywhere you go. With Power Delivery technology, the tiny, pocket-sized PowerPack mini can fast charge your iPhone or Android from 0 to 50% in as little as 30 minutes — it's like carrying an extra battery to swap in when you're getting low. Featuring both 20W USB-C Power Delivery and 18W USB Adaptive Fast Charge ports, you can plug in with any cable that fits your phone, and it only takes 90 minutes to refill the power bank from empty. Made to fit right in your pocket, it's so small and lightweight it can even share the space with your other things. A life on the go needs convenience, and the PowerPack mini was made for convenience.
