SpeedBoost

45W USB-C PD Wall Charger White BULK

Say goodbye to hauling around a bulky laptop power brick and multiple dedicated chargers — this one single charger can power up all the devices you carry with you every day. With Power Delivery technology, the SpeedBoost 45W USB-C PD Wall Charger is capable of full-speed charging for notebook laptops and intelligently scaling down its power output to safely super-fast charge the latest iPhones and Android smartphones — 0 to 50% in under 30 minutes! And with PPS efficient fast charging for compatible devices, the entire charging cycle is constantly micro-adjusted to charge even faster while protecting your battery from harmful heat buildup. Give your charging experience a SpeedBoost: fill up your laptop, then plug in your phone - by the time your laptop needs power again, your phone will be at 100.
