

30W USB-C PD

Fast Wall Charger with PPS

30 is the new 20. As phones and tablets get bigger and more powerful, 20W fast charging just isn't fast enough anymore. But with 30W USB-C Power Delivery super-fast charging, you can take your next-generation iPhone, Galaxy, or Pixel phone from 0 to 50% in under 30 minutes! And with PPS technology added in, you'll power up your devices while protecting their battery health at the same time. Unlock the fastest charge speeds for your brand new iPad Pro or Galaxy Tab, and don't be afraid to leave your MacBook Air's power brick at home, too - this pocket-sized 30W charger is that powerful.
