

Premium Mobile Accessories Cardboard Floor Display

With tons of possible configurations, this display is easily customizable for maximum impact. Move items off overstuffed shelves where they can be overlooked, and draw your customers to an eye-catching, freestanding vertical display designed to highlight the products, engage, and motivate purchase. Ships flat, assembles with ease, includes 5 shelves (1 base + 4 height-adjustable), and also includes 16 peg hooks so you can mix, match, and tailor your display to support any variety of package sizes.
