

POWER PACK^{PRO}

Fast Charge Power Bank

with 20W USB-C PD and Digital Display

10,000mAh

4X Faster Charging
PD Power Delivery

Upgrade to next-gen portable Power Delivery. We designed our Power Pack Pro with a simple motto in mind: "Do more with less." New-and-improved components enable the 10,000mAh high-capacity battery to last 45% longer, providing up to 35 hours of extra life for your devices on the go. Featuring both 20W USB-C Power Delivery and 18W USB Adaptive Fast Charge ports, it can bring your iPhone, Galaxy, or Pixel phone from 0 to 50% in as little as 30 minutes - and it can even power up 2 devices at the same time. And all that long-lasting, high-speed power is packed into a pocket-sized portable charger that is so ultra-compact, you won't believe it until you see it for yourself.

Features

- Pro Series Upgrades
