

# 30W USB-C PD + USB Fast Wall Charger

## with USB-C to USB-C Cable

**30W**

**4X** Faster Charging  
PD Power Delivery

30 is the new 20. As phones and tablets get bigger and more powerful, 20-watt fast charging just isn't fast enough anymore. But with 30W USB-C Power Delivery super-fast charging, you can take your brand new iPhone 15 from 0 to 50% in under 30 minutes! Upgrade to high-speed fast charging for your iPad or Android device, and don't be afraid to leave your laptop's power brick at home - this pocket-sized charger can power up a MacBook Air or other 30W notebook at full speed. Smaller and faster than an Apple USB-C iPhone charger, this compact powerhouse also packs a secondary 18W USB Adaptive Fast Charge port to let you charge 2 devices at once from a single outlet. Includes a 4ft USB-C to USB-C cable so you can start charging right out of the box.
