

High-Power Dual USB Car Charger with USB to USB-C Cable

2 chargers in 1 compact design. This sleek dual charger delivers 12W of pure power to your device at high speed - and up to 5W to a second device at the same time. Engineered with world-class SmartChip safety features, it provides reliable rapid charging to your iPhone 15 or Android phone, tablet, earbuds, camera, or any other power-hungry devices you might need fueled up on the road. Packing more than 3X the power of the usual built-in USB ports, this is the perfect upgrade to keep you fully powered all day, every day! Includes a USB-C cable so you can start charging right out of the box.
