2X Faster
Charging

High-Power Dual USB Car Charger

with USB to Lightning Cable

2 chargers in 1 compact design. This sleek dual charger delivers 12W of pure power to your device at lightning-fast speed – and up to 5W to a second device at the same time. Engineered with world-class SmartChip safety features, it provides reliable rapid charging to your iPhone, iPad, AirPods, or any other power-hungry devices you might need filled up on the road. Packing more than 3X the power of the usual built-in USB ports, this is the perfect upgrade to keep you fully powered all day, every day! Includes an MFi-certified Lightning cable so you can start fast charging your Apple devices right out of the box.
